

END-USER LICENSE AGREEMENT („EULA“)

1. INTRODUCTION

This EULA is a legal agreement between you as licensee (either an individual or a single legal entity), whose details are provided to BIM Project s.r.o., company ID: 016 98 672, with its registered seat at Slunečná 292, Rovina, Postal Code 267 18, Hlásná Třebaň, Czech Republic, registered in the Commercial Register maintained by the Municipal Court in Prague, Section C, File 209544 (the "**BIM Project**") upon download of the Software (the "**Licensee**"), and BIM Project (the "**Licensor**") to use the Software. This EULA applies from the date when the Licensee receives the Software from BIM Project. If the Licensee agrees with this EULA on behalf of a company or other organization, the Licensee represents that he has the authority to bind that company or organization to this EULA.

The Licensee agrees to be bound by the terms of this EULA that he duly read and understand by installing, copying, downloading or otherwise using the Software. If the Licensee does not agree to the terms of this EULA, the Licensee may not install, copy, download or otherwise use the Software.

The Licensor reserves a right to modify this Agreement, including any referenced policies and other documents. Any modified version of this document will be effective at the time it is posted. To keep abreast of the Licensee's license rights and relevant restrictions, please bookmark this Agreement and read it periodically. By using the applicable software after any modifications, the Licensee agrees to all of the modifications.

2. LICENSING OF USE

The Licensor grants the Licensee a free of charge, limited, worldwide, non-exclusive, non-transferable license to use bimproject.cloud service and to install and use the

BIM PROJECT

plug-in software, which extends the functionality of a basic designing software referred to in the EULA as the Design Software (the "**Software**") only on the systems owned, leased or controlled by the Licensee.

The Licensee may not modify, reverse engineer, decompile or disassemble the Software in whole or in part, create any derivative works from the Software, extract data from the Software for commercial purposes or sub-license any rights in the Software unless otherwise expressly authorized in writing by the Licensor.

3. RESERVATION OF RIGHTS AND OWNERSHIP

. The Licensee does not acquire any ownership rights in the Software as a result of installing or using the Software. The Licensor reserves all rights not expressly granted to the Licensee in this EULA. The Software and all copies thereof are protected by copyright and other intellectual property laws and treaties. The Licensor owns the title, copyright, and all other intellectual property rights to the Software and all subsequent copies of the Software ("**Intellectual Property**") except for the Intellectual Property relating to design software, which is being extended by the Software (the "**Design Software**"). The Software is licensed, not sold.

Files and/or specifications generated by the Licensee with bimproject.cloud service, configurators, calculators or via plug-ins are based on know-how of the Licensor. Licensee may use these files and specifications for his own need when creating projects and BIM models, they must not be provided as a content for a different database or platform without the Licensors approval.

4. DISCLAIMER

To the maximum extent permitted by applicable law, the Software is provided "as is", without warranty of any kind, express or implied. the Licensee agrees that the Licensee bears all risks associated with using or relying on the Software.

The Licensor cannot be held liable for the content and data provided by the Licensee or by third parties in connection with use of the Software. The same applies to the

BIM PROJECT

completeness, accuracy and updating of the data provided by the Licensee or by third parties.

The Licensor hereby disclaims all warranties, including but not limited to any implied warranties of title, non-infringement, merchantability or fitness for a particular purpose relating to the Software. In no event shall the Licensor be liable or responsible for any claim, damages (including, but not limited to, procurement of substitute goods or services; loss of use, data or profits; or business interruption) or other liability, whether in an action of contract, tort or otherwise, arising from, out of or in connection with the Software.

5. LICENSEE OBLIGATIONS AND REPRESENTATIONS

Positive Obligations. The Licensee must at all times: (a) use the Software in compliance with all applicable laws, (b) ensure that only an authorized user (person who accesses and uses the Software and the Design Software under a user license) uses the Software and only in accordance with the terms and conditions of this EULA, (c) ensure that the Software is not used for rental, timesharing, subscription service, hosting or outsourcing.

Negative Obligations. The Licensee must not, whether through negligent act or omission, or without the prior written consent of the Licensor, which may be withheld at the Licensor's sole discretion and include certain conditions: (a) decompile; reverse engineer; disassemble; modify; adapt; create derivative works from; or otherwise attempt to derive; any part or whole of the Software; (b) directly or indirectly access or use the Software independently of the rest of the Design Software; (c) sell; sublicense; redistribute; reproduce; transmit; circulate; disseminate; translate or reduce to or from any electronic medium or machine readable form the Software or any data/information not owned by the Licensee which is provided to the Licensee through the Software to a person who is not an authorized user; (d) vary or amend the Software; (e) except as otherwise permitted in this EULA, publish; promote; broadcast; circulate or refer publicly to the Licensor's name; trade name; trademark; service mark or logo; (f) commit any act or omission the likely result of which is that the Licensor's or any of its third party suppliers' reputation will be brought into disrepute or which act or omission could reasonably be expected to have or does

have a material and adverse effect on the Licensor's interests; (g) distribute the Software without entering into a separate distribution Agreement with the Licensor; or (h) copy or embed elements of unprotected and accessible code contained in the Software into other software.

The Licensee hereby represents, warrants and covenants that the Licensee will not use the Software: (a) to infringe intellectual property or proprietary rights, or rights of publicity or privacy of any third party; (b) to violate any applicable law, statute, ordinance or regulation; (c) to disseminate, transfer or store information or materials in any form or format that are harmful, threatening, abusive, harassing, tortious, defamatory, vulgar, obscene, libelous, or otherwise objectionable or that otherwise violate any law or right of any third party; (d) to disseminate any software viruses or any other computer code, files or programs that may interrupt, destroy or limit the functionality of any computer software or hardware or telecommunication equipment, or violate the security of any computer network; (e) to gather data from the Software and a database stored in the Software in a manual or automatic way (e.g. using scripts, generally known as "robots") or (f) to run mail list, listserv, "bots", "robots", any kind of automatic responder, or spam, or any processes that run or are activated while the Licensee is not logged in. The Licensee remains solely responsible for all content that the Licensee uploads, posts, e-mails, transmits or otherwise disseminates using, or in connection with, the Software. Any and all content accessed by the Licensee through the use of the Software is accessed at the Licensee's own risk and only Licensee shall be solely responsible for any damage or liability to any party resulting from such access.

6. INVESTIGATION OF UNAUTHORIZED USE AND DISTRIBUTION

If the Licensor reasonably suspects the Software has been distributed to or obtained by any person or party without the Licensor's prior written consent, that Software is being varied or accessed or used independently of the Design Software or that Licensee is otherwise breaching a term of this EULA and in particular, but without limitation, its obligations under clause 5., the Licensor reserves the right to require the Licensee to provide an unqualified certificate executed by the Licensee's auditor verifying compliance with the terms of this EULA. Such requests shall be made no more frequently than once per calendar year. If such an unqualified certificate is not received by the Licensor within ninety (90) calendar days of being required, it will be

considered that a breach of this EULA has occurred allowing the Licensor to terminate the licenses granted under this EULA

7. INDEMNIFICATION AND INFRINGEMENT

The Licensee is obliged to pay to the Licensor and/or its subsidiaries or affiliated persons all damages incurred in connection with the use of the Software and/or breach of this EULA by the Licensee, its employees or by third parties using the Software with the knowledge of the Licensee, among others including reasonable attorney fees and costs.

If the Software becomes, or in the opinion of the Licensor may become, the subject of a claim of infringement of any third party's intellectual property rights, the Licensor may terminate the use of license immediately without any right of the Licensee to reimbursement.

The Licensee acknowledges that if the Licensee violates the EULA and the Licensor or a third party owning the Design Software incurs directly or indirectly any damages in connection with such violation, the Licensor or the third party may claim its claims directly against the Licensee.

8. SUPPORT AND MAINTENANCES

Any support and maintenance of the Software shall be provided by the Licensor on a available-effort basis. Failure of the Licensor to provide support and maintenance will not entitle the Licensee to any remedies from the Licensor

9. TERMINATION

This EULA shall remain in force and effect for the duration of Licensee's use of the Software. By uninstalling the Software or canceling the user account on the bimproject.cloud website, Licensee's authorization under this Agreement terminates. Either party will have the right to terminate the EULA by giving at least one (1) month' notice in writing to the other party.

BIM PROJECT

The Licensor may also terminate this EULA in case of breach of this EULA by the Licensee, in case the Licensee fails to cure the breach within ten (10) working days of receiving notice of such breach.

The Licensor may withdraw from this EULA in the event of a material breach of this EULA or repeated minor breaches by the Licensee.

The Licensor and the Licensee may terminate the EULA by mutual agreement.

If the EULA expires or is terminated, the Licensee will cease immediately use of the Software, if the Licensor directs in writing, the Licensee destroys all copies of the Software. If requested by the Licensor, the Licensee shall provide the Licensor with a certificate confirming that such destruction has been completed.

The Licensor may also terminate this EULA if the Licensee becomes subject to bankruptcy proceedings, becomes insolvent, or makes an arrangement with Licensee's creditors. This EULA will terminate automatically without further notice or action by the Licensor if Licensee goes into liquidation.

10. PUBLICITY RIGHTS

The Licensee grants the Licensor the right to include the Licensee as a customer in the Software promotional material, including the Licensee's logo. The Licensee can deny the Licensor this right at any time by submitting a written request via e-mail to support@bimproject.cz, requesting to be excluded from the Software promotional material. Requests may take up to thirty (30) calendar days to process.

11. WAIVER

If the Licensor fails, at any time during the term of this EULA, to insist upon strict performance of any of the Licensee's obligations under this EULA, or if the Licensor fails to exercise any of the rights or remedies to which it is entitled under this EULA, this shall not constitute a waiver of such rights or remedies and shall not relieve the Licensee from compliance with such obligations.

A waiver by the Licensor of any default shall not constitute a waiver of any subsequent and/or future default.

BIM PROJECT

No waiver by the Licensor of any of these terms and conditions shall be effective unless it is expressly stated to be a waiver and is communicated to the Licensee in writing.

12. FINAL PROVISIONS

Nothing in the EULA is intended to, or shall be deemed to, establish any agency, partnership or joint venture between any of the parties, constitute any party the agent of another party, nor authorize any party to make or enter into any commitments for or on behalf of any other party.

This EULA may be changed based on a sole statement of the Licensor. Any change to the EULA shall take effect upon its publication.

If any provision of the EULA (or part of a provision) is found by any court or administrative body of competent jurisdiction to be invalid, unenforceable or illegal, the other provisions shall remain in force.
